**楽しい事実 | Fun Fact 1:**  
Traditional sushi etiquette suggests that you should eat sushi with your fingers, not chopsticks. This is believed to enhance the overall dining experience.

**楽しい事実 | Fun Fact 2:**  
Pickled ginger, or "gari," served alongside sushi, isn't just a palate cleanser. It also has anti-bacterial properties, historically helping to preserve the fish.

**楽しい事実 | Fun Fact 3:**  
Sushi originated in Southeast Asia as a method of preserving fish in fermented rice. Over time, it evolved into the delicious and varied forms we know today.

**楽しい事実 | Fun Fact 4:**  
"Dozo" (どうぞ) is a Japanese word that translates to "please" or "go ahead." It is often used in a polite context to offer something to someone or to indicate that they are welcome to do something.

You can find the japanese caligraphy also in our logo! Are you able to find it?
